iPad in Education Tuesday 23rd November 2010

**Designed for Heads, Deputy Heads
and members of the Senior Leadership Team.**

A one day programme consisting of an in-depth look at the strategic use of iPods and iPad technology. The day will provide a hands on experience with mobile and iPad technology and allow you to evaluate its impact on learning.

This course allows you to experience 21st century content creation as well as the use of educational and communication apps to improve productivity in your school.

The day will provide an opportunity to discuss how technology provides the platform for integrating key pedagogies into learning. It offers an organic solution to suit the current changing technological climate.

.....

**This course
will take
place from;**

10.00am - 3.00pm

.....

.....

Parents on ipods Tuesday 18th January 2011 and Tuesday 25th January 2011

**This course has been designed for Parents,
the same course will take place on both days.**

A hands on introduction to the iPod. Book yourself on to this half day course to learn about how your child improves their learning at Essa Academy. This will be an opportunity for you to ask questions and learn about how you can support your child's learning, both at home and at the Academy.

.....

**There will be
two courses on
both days;**

**9.00am – 11.30pm
1.00pm – 3.30pm**

**iPad Early Years
Tuesday 8th February 2011
and Tuesday 15th February 2011**

**This course has been designed for Early Years Managers.
The same course will take place on both days.**

This course has been designed to introduce early years practitioners with a hands on experience on the iPad. Learn how the iPad revolutionises the way technology enhances learning. The course will focus on a variety of early years apps from phonics to numeracy.

The course will also allow you to gain an insight into using the iPad in an organisational context in order to improve the productivity in your setting.

**There will be
two courses on
both days;**

**9.00am – 11.30pm
1.00pm – 3.30pm**

Intro into iMovie Tuesday 8th March 2011

Designed for primary students.

This is a fantastic opportunity for students to experience movie creation at Essa Academy's Apple Regional Training Centre. Students can bring their own videos and photos or use ones we provide to create a professional movie that can be shared with teachers and parents.

Students experience a high level of creative learning with the latest technology and experienced teachers. Teaching staff are welcome to attend this half day event.

There will be two courses;

**9.00am – 11.30pm
1.00pm – 3.30pm**

Please bring with you some photos and video clips (if possible) and we can create a movie personal to you that you can take away with you and share with your teachers.

Learning with Apple Tuesday 15th March 2011

Designed for Primary Heads.

A one day course that gives an insight into using the iPod, iPad and iLife for creating digital content. Capturing the attention of students can be challenging. This course provides a creative learning experience that allows students to create, access and share their work with teachers, peers and family.

The day will also look at accessibility for EAL and SEN learners.

The course provides an opportunity for leaders to improve productivity in their settings by streamlining existing processes using technology.

**iPod, iPad
and iLife**

10.00am - 3.00pm

**A fantastic full day
course providing you
with the knowledge of
the best of three.**
